Geoff Clarke graduated from Juniata College, Huntingdon, PA. on Sunday, June 1, 1975. Shortly thereafter he began working for the New Enterprise Stone and Lime company, New Enterprise, PA.

On July 1976, he invited HCRP&WSP to his wedding in September 1976. At that time he wrote the following about his job: "... I've been working all over South Central Pennsylvania jumping from job to job. I'm currently working a Redevelopment job in Alexandria with concrete patching, curb, and sidewalk. I've moved from Roaring Spring to Huntingdon PA., I feel so much more at home here, having spent 4 year here..."
